*\*\*Some wedding dresses may be too large to properly photograph inside the studio. In which case, a location on-site (of your choice\*) will be used.*

*\*any fees associated with photographing on a location will be the responsibility of the customer.*

*All poses are professionally retouched and printed on archival quality photo paper. We use a superior "metallic-based" finish which gives ultra-superior skin tones and better overall visual quality. Other finishes are available upon request. Samples of each can be seen in our studio. Enlargements are available upon request, and will incur additional charges. All packages can be customized to fit your needs.*
